Good Morning,

spent the rest of yesterday sorting thru all my saved papers and documents to find the two sources that were against the project. So far I only came up with one, which (I am sure) You're already familiar with. I attached the PDF file anyway. The other info I found is incomplete and needs further research , are two names Prof. Thomas Borch and Prof. James Stone.

these gentleman did a study on the effects of ISR mining on groundwater.

Contacted Clean Water Alliance with this info, maybe they can contact them easier,

Will contact you when /if have more info,
